Blindfold Pictionary

You will need:

- White sheets of paper
- A pencil
- A blindfold
- A stopwatch

How to play:

- Divide players into two teams
- A player from Team One puts the blindfold on and draws a picture of anything like a house/sun/flower or whatever they choose. They have 30 secs to draw the item
- The stopwatch is started as soon as the player starts to draw
- Team Two must try to guess what team one is drawing and gets a point if they guess correctly
- A player from team two then does the same
- The winning team is the team with the most points, but the fun is in all the funny drawings that are made!!

Colour Hunt

You will need:

- Four sheets of coloured paper ideally a red, blue, yellow and green page OR four sheets of paper with the colour written on each sheet ie red, blue, yellow, green
- Five items of each colour that match each sheet (Lego or blocks work great)

How to play:

- Now hide all the Lego/blocks in the room and place the four colour sheets on a table/floor nearby
- Start the clock and have the kids start hunting
- When they find a block/Lego piece they have to return it to the corresponding sheet
- See how long it takes them to find them all
- Then re-hide them so they can see if they can get a better time
