

## **Commitment to Standards in Fundraising Practice**

St Patrick's Mental Health Services is fully committed to achieving the standards contained within the *Statement of Guiding Principles for Fundraising*.

The Statement exists to:

- Promote high levels of accountability and transparency by organisation's fundraising from the public
- Provide clarity and assurances to donors and prospective donors about the organisations they support.

We, St Patrick's Mental Health Services, have considered the Statement and believe we meet the standards it sets out.

St Patrick's Mental Health Services' report on our fundraising activities is available in our most recent Annual Report, which can be found on our website at [www.stpatricks.ie](http://www.stpatricks.ie)
